

SPAWN Events

Fall/Winter 2017

seaturtles.org/take-action/event-calendar

Habitat Restoration Volunteer Days

RSVP to preston@tirn.net

Bring a water bottle, hat, layers, and your lunch

Saturdays:

11/18, 12/2, 12/9, 12/16, 1/13, 1/27

10 am to 2 pm - Meet at SPAWN's main office in Olema. Don't see a day scheduled that works for you? Bring a group and schedule your own volunteer event with the SPAWN team.

Habitat Gardening Workshops

Featuring Charlotte Torgovitsky of Home Ground Habitats and CNPS Marin

Email audrey@tirn.net

Workshops held at SPAWN offices
Suggested \$20 Donation
(No one turned away)

Workshops include free consultations about how to improve your yard and one free habitat plant

Saturday 10/28 Oak Woodlands 10 am - 2 pm

Join us for some acorn pancakes and elderberry syrup, while we learn about habitat gardening in oak woodlands. We will also learn about grassland and chapparral plant communities.

Saturday 11/4 Riparian Ecosystem 10 am - 2 pm

Learn how to improve habitat for aquatic species, amphibians, birds and small mammals. Help us build a living willow wall and learn techniques for preventing erosion on creek banks.

Creek Walks and Docent Naturalist Training

<https://seaturtles.org/events/creekwalks/>

Register for a public walk through Samuel P Taylor State Park on Saturdays or schedule your own private tour!

Training Saturday 11/11 2pm - 5pm

Learn to be a volunteer docent and lead creek walks to help members of the public. Email Catie@tirn.net to RSVP

**Public Creek Walks from 12-2 -
December 2, 9, 16, 23, 24, 26, 30, 31
January 6, 13, 20**
