Hydrology and Hydraulics Studies

Master Drainage and Sediment Control Plan for Lagunitas and Walker Creek watersheds. 1965. Marin County Soil Conservation Service. Prepared by George S. Nolte Consulting Civil Engineers Inc.

Habitat

Investigations of Salmon and Steelhead in Lagunitas Creek, Marin County, California. Volume I. Migration, Spawning, Embryo Incubation and Emergence, Juvenile Rearing, Emigration. March 1988 Paul M. Bratovich and Don W. Kelley for MMWD

Distribution, life history, and status of the California freshwater shrimp, *Syncaris pacifica* (Holmes). Spec. Pub. 81-1 Feb 1981 CA Dept of Fish and Game by LL Eng

Water Year 1982-83: Investigations on Lagunitas Creek, Marin County, California: Second Progress Report 1984 Bratovich, P.M., H. Brooks, and D. Kelley for MMWD

Habitat Recommendations, Lagunitas Creek. 1992 by D. W. Kelley & Associates and Entrix for MMWD

Lagunitas Creek Fish Habitat Enhancement; Potential Project Sites May 1994 PCI for MMWD

Aquatic Resources Monitoring Workplan for the Lagunitas Creek Drainage, Marin County, California; Final Report 1996 Marin Municipal Water District prepared by Trihey and Associates

Marin County Stream Crossing Inventory and Fish Passage Evaluation. Final Report. 2003 prep by Ross Taylor and Associates

Juvenile salmonid population monitoring report, Lagunitas Creek, Marin County, California, fall 1997 . Marin Municipal Water District . Corte Madera, CA . 61 pp.

Lagunitas Creek coho salmon spawner survey report, fall and winter 1997-98 Andrew, G. M., M. L. Cronin, and E. Ettlenger. 2000. Marin Municipal Water District . Corte Madera, CA .

Lagunitas Creek coho salmon spawner survey report, fall and winter 1998-99 (3rd Draft) Andrew, G. M., E. Ettlenger, M. Diamont, and J. Sisco. 2000. Marin Municipal Water District . Corte Madera, CA .

Lagunitas Creek coho salmon spawner report, 1999-2000 . Andrew, G. M., E. Ettlenger, J. Goin, and B. Irons. 2001. Marin Municipal Water District . Corte Madera, CA .

Draft Limiting Factors for Coho Salmon and Steelhead 2007 Stillwater Sciences for Marin RCD

Sediment and Geomorphology

Substrate Enhancement/ Sediment Management Study, Lagunitas Creek, Marin County. Phase IIIa: Sediment Transport and Bed Conditions 1980-1981 Barry Hecht for MMWD

Lagunitas Creek Streamflow and Sediment Discharge, October 1979 to September 1982. Technical Supplement: Basic Data and Revisions. Barry Hecht for MMWD

Substrate Enhancement/ Sediment Management Study, Lagunitas Creek, Marin County. Phase IIIb: Sediment Transport and Bed Conditions 1979-1982 Barry Hecht for MMWD

Sediment Overview Report: Development of an Initial Sediment-Management Plan for Lagunitas Creek, Marin County, California. 1992 Barry Hecht for MMWD

Status Summary Report. Substrate Enhancement Sediment Management Plan, Lagunitas Creek 1998 Barry Hecht and Mark R. Woysner for MMWD

Final Sediment and Riparian Management Plan 1997 Marin Municipal Water District prepared by Prunuske Chatham Inc.

Lagunitas Creek Watershed Sediment Reduction and Enhancement Project – Final Report, GIS Roads and Trails Inventory and Sediment Reduction Strategy, prepared by Lynx Technologies for Marin Municipal Water District (Patrick Kelleher Apr. 2007).

Middle Lagunitas Creek Watershed Sediment Delivery Analysis, May 2007
prepared by Stillwater Sciences for Marin County Department of Public Works,

Water Quality

Surface Water Ambient Monitoring Program (SWAMP) State of Ca Regional
Water Quality Control Program Water Quality Monitoring and Bioassessment in
Nine San Francisco Bay Region Watersheds in 2001-2003: including Lagunitas
and Walker Creeks

San Geronimo Creek Watershed

Hydrology

**Annual hydrologic record and bedload-sediment transport measurements
for San Geronimo Creek at Lagunitas Road Bridge, Marin County,
California: Data Report for Water Year 2000.** Balance Hydrologics Inc. 2001.
Prepared for Marin Municipal Water District. Note: Citation only.

Sediment and Geomorphology

**Geology of the San Geronimo Valley area, Marin County, California:
Geology for Planning in Central and Southwestern Marin County.** 1976
California Division of Mines and Geology by TC Smith

**Interim Report. San Geronimo Creek Streambank Erosion, Marin County,
California.** 1987 Steven Chatham

**Efficacy of Bank-Protection Proposals for Selected Locations in the San
Geronimo Valley.** 1988 Barry Hecht for MMWD

San Geronimo Creek Watershed Bedload Reduction Opportunities 1990 PCI
for MMWD

San Geronimo Bedload Sediment Reduction Program. 1997 Marin RCD and
MMWD Monitoring Report. Prepared by PCI

San Geronimo Bedload Sediment Reduction Program. 1998 Marin RCD and
MMWD Monitoring Report, prepared by PCI

San Geronimo Bedload Sediment Reduction Program. 1999 Marin RCD and
MMWD Monitoring Report, Prepared by PCI

San Geronimo Bedload Sediment Reduction Program. 2000 Marin RCD and
MMWD Monitoring Report. Prepared by PCI

**San Geronimo Creek Watershed Sediment Source Sites Assessment and
Evaluation for the San Geronimo Creek Watershed Planning Program 2002**
Stetson Engineers for MMWD.

Sedimentation from Unpaved Roads in the San-Geronimo sub-Watershed
2002 SPAWN
